Classification

Athletes with Physical, Visual and Intellectual Impairments competing at the 2015 North Island Secondary Schools Athletics Championships in Auckland **are required** to have a Provisional or National Classification. Classification ensures that athletes meet impairment eligibility and have an activity limitation

Athletes who **do not have** a Provisional or National Classification will need to have completed one of the Provisional Classification forms(Physical, Intellectual or Visual Impairment, whichever is the most appropriate one) available on the NZSSAA or Paralympics New Zealand (PNZ) website.

This form needs to be forwarded to classification@paralympics.org.nz as soon as possible and no later than 16 March.

Classifications and Competition

Para Athletes will have a track classification (T) and a field classification (F). The following track and field classifications relate to the following impairments.

T11 – T13 and F11 – F13

T20 and F20

T32 – T38 and F31 – F38

T40 and F40

T42 – T46 and F42 – F46

T51 – T

T51 – T54 and F51 – F58 Wheelchair user(WC)

There will be two competition divisions, Para Athletes with Intellectual Impairment (II) and Para Athletes with Physical Impairment, including Para Athletes with Visual Impairment (PI). Within the Para Athletes with Physical Impairment division will be the 5 groups above excluding II (T20 and F20)

For the **PI** classification the results and placings will be calculated on a percentage of the world record for each classification. It will enable athletes with different impairments, cerebral palsy, vision, stature etc, to be fairly compared and compete for the PI medal and national title in their event/s.

The **II** classification will be for athletes with an intellectual impairment (cognitive impairment) rather than athletes with specific learning impairments eg difficulty with reading. Generally these athletes will be ORS funded or be potentially eligible for ORS funding.

The following events will be included: 100 m, 200 m, 400 m, shot put, discus, javelin, long jump (metre mat will not be used), high jump and road race.

Please Note:

- Students with specific learning disabilities are not eligible for classification.
- Hearing Impaired athletes are not eligible for classification as physical abilities are comparable to that of their peers. However adequate provision should be made to ensure starting mechanisms are in place to allow for equal competition.
- Athletes with adequate residual vision to compete evenly with fully sighted peers will be encouraged to do so.
- Athletes with Behavioral Problems do not have a physical functional limitation compared to their peers and will be ineligible for classification.
- Some athletes may have multiple disabilities therefore teachers are to register students into
 the classification where the functional limitation is the greatest. For example a student may
 have an intellectual disability as well having di-plegic cerebral palsy severely affecting his
 balance and coordination this pupil will be placed in the CP Classification. A student may
 also have ADHD and also an Intellectual disability this student would be eligible for II
 classification.

Ages

There will be two age groups for each classification, junior (below 16) and senior (16 and above) on 1 January 2015.

It is important to note that students with a disability who are ORS funded are entitled to stay at secondary school until the age of 21. Students in this category who are over 19 on 1 January need to apply for entry to oe@nzssaa.org.nz.

If you require any further information on classification for Para Athletes please email: classification@paralympics.org.nz or oe@nzssaa.org.nz
