To all secondary school coaches and team managers

Good afternoon everyone,

Further to our first newsletter update last week for the Podium NZ Secondary Schools Cross Country Championships in June last week, we would also like to reinforce that the venue for the event is on private land and we only have permission to access the venue and land for the formal event commencing on Friday 17 June from 1pm with the official course inspection.

In respect of the private landowners and their respective operations, there is no provision at this stage for teams or individuals to access the venue or land for inspection or training in the lead up to the event.

Thank you for your co-operation.

Yours faithfully
