

Day 3 of the New Zealand Secondary Schools Track & Field Champs saw two further records fall to Matt Baxter from New Plymouth Boys High and Jesse Bryant of St Bede's College.

Both were long-standing records, with Baxter's 3000 metres time of 8 min 15.50 sec taking three seconds of the time set by Phillip Starr in 1991 and Bryant's Long Jump of 7.36 metres equalling Nigel Park's performance from 1990.

Talia Horgan from Cambridge High School had the satisfaction of reaching the World Youth selection standard for the woman's 400 metres, with a time of 55.14 seconds, while Rosa Flannagan was well under the standard for the girls 3000 metres with her 9 min 38.26 sec.

They joined Matt Bloxham (Hammer) and Eliza McCartney (Pole Vault) who reached the standards earlier in the championships.
