

**New Zealand Secondary School Athletics Association
46th Track and Field & 44th Road Race Championships
Dunedin
30th November - 2nd December 2018**

The Otago Secondary Schools Sports Association in conjunction with Athletics Otago invite all NZSSAA affiliated schools to participate in the 2018 NZSSAA Track and Field and Road Race Championships which are to be held at the Caledonian Ground, (the "Cale"), Logan Park, Dunedin.

The Caledonian Ground has a large stand which seats approximately 1200 people and grassed areas surrounding the rest of the track. The track itself is made from a tartan texture and has the reputation of being fast. There will be ample room for schools to bring shelters and tents to be placed adjacent to the warm up/marshalling area.

The Programme

The programme will begin at 1pm on Friday. The order of events will be available relatively early, but team managers should make arrangements to have athletes ready for a full range of events on the Friday.

Accommodation in Dunedin is normally fine although you are advised to book early to secure your beds.

We have made arrangements with the University of Otago residential colleges for accommodation and meals packages. This accommodation is within walking distance of the Caledonian and so is ideal for events of this type.
