

NZ Secondary Schools Athletics Championships Tauranga Domain Parking

A very limited number of parking spaces are available inside the main gate and are reserved for Catering and Results Officials vehicles only.

All other vehicles must park in the streets or carparks outside the Domain wherever a space can be found.

Parking on Friday will be particularly problematic. If all else fails head to Sulphur Point and use the boat ramp car parks or the grassed area beyond them. It is approximately 1.2km to walk back to the Domain. Access Chapel St via the walkway close to the shoreline and then walk directly to the stadium.

Vehicles **MUST NOT** be parked on the grass berms beyond the kerb. Experience has shown that they will be ticketed. Do not abuse the Parking Wardens please.

Time limited 120–180 minute parking is not policed on the weekends. Spring Street (not on map), nearer the city centre is also free on the weekend

Cliff Road carpark on Saturday and Sunday is suitable for buses and vans which have parking priority here although space for cars is also available. Please park buses and vans closer to Cliff Rd rather than near the bank above the railway line.

Domain in relation to potential parking availability
