## PROGRAMME OF EVENTS

The guideline programme will be available on the NZSSAA Website and Facebook pages shortly.

## ROAD RACE

The Road Race will be held the vicinity of Karo Park, Inglewood.

## TRACK VENUE

The grandstand and concrete terraces below can seat approximately 1800 people but there is limited viewing around the rest of the arena. The track itself is a Mondo surface and is in excellent condition. There is a significant grassed area on the lower field to the north of the stadium for warm ups including throws.

There will be room for schools to bring tents to be erected next to the warm up field.

The track will be open on the **Thursday 08 December from 2.00 to 5.00pm** for light practice/training but as we are setting up the venue, this may restrict some areas and we thank you for your cooperation.

## EQUIPMENT

Starting blocks and throwing implements are provided. If you wish to use your own implement this will be required to be measured and weighed and if passed, will be held in the equipment storeroom and brought out at competition time. The times to do this will be provided closer to the event.

Pole vault poles are an athlete's responsibility but if there is difficulty in transporting them we may be able to provide some additional poles.

## SPIKES

The spikes approved for the Mondo track are Pyramid (cone shaped) or Christmas tree (compression tiered) spikes. Needle or Pin spikes are not allowed even if they have a flat surface at their contact point.

## COMMUNICATION

We will endeavour to place all information on the NZSSAA website and the NZSSAA Facebook Page. For questions concerning entries/order of events contact John Tylden at [oe@nzssaa.org.nz](mailto:oe@nzssaa.org.nz).
