

Parking for NZSS Road Championship's. Sunday 11th Dec.2022

Area: Towai Reserve Loop.

Everyone's safety is of great importance.

All Vehicles should enter the Race Course area via the Inglewood High School Main Gates at the Northern Entrance to Inglewood town on the Main road to New Plymouth. 129 Rata Street, Inglewood.

Follow the road up to the school buildings. (No parking on the grass Thank you)

Cars should park in areas amongst/around these buildings.

If School Vans can please continue out the back gate and park in the parking spaces there.

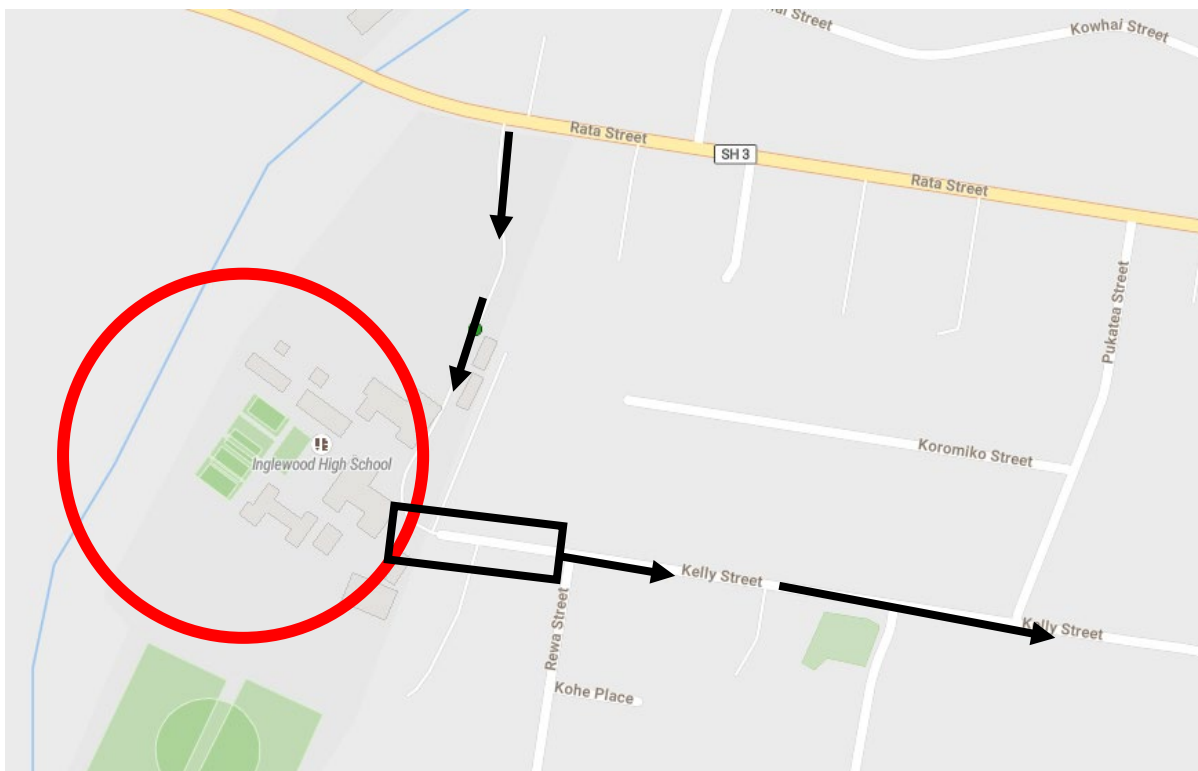

Any overflow of vehicles will be directed to other designated parking areas.

Because some vehicles will be taking children back to the Stadium to continue in other events, traffic will only move in a clockwise direction when on any section of the road race course. Only one lane will be open to traffic,

Though the speed limit is 50km/hr we ask you to reduce to 20km as there may be a few spectators moving around the area. The traffic management staff may restrict vehicle movements while a race is in progress,

Please respect marshals and obey their commands they are there for your safety.

Please make sure you get to the Event site in plenty of time for your Race. The High School is a walk of about 700mts from the start area at Towai Reserve.

Black Arrows ---Vehicle Direction.

Red Circle ---- Car parking.

Black Oblong ----- Van Parking.
