

2024 NZSSA Track, Field and Road Race Championships

Trust Aoraki All Weather Track, Timaru

V.2. Updated 7 October

GUIDELINE ORDER of EVENTS and NOTES

ALL TIMES ARE INDICATIVE ONLY UNTIL ENTRIES CLOSE

Note in some cases **2nd round** or **semis** may not be required as scheduled

3000m races will be run as timed finals , seeded times are important for likleyhood of A & B races in **SB**

Steeplechase races will be run as straight finals. **JG & SG may be** run together depending on numbers

Close proximity of **200/400m** is to discourage younger athletes attemptng both these anaerobic events

Pole vault for Juniors & Seniors will be run by Gender groups together unless numbers dictate otherwise

Horizontal Jumps [LJ & TJ] will be run concurrently in split pools if require. Any such horizontal Jump competition needing to be split into Pools A and B will be held in adjacent pits at the same time for the first 3 trials. The top 8 qualifiers will have 3 additional trials in the pit they have been using unless the Technical Delegate determines otherwise. In order to keep these events manageable please do not enter athletes unless they are close to the standard.

Other Field Events: Should other field events exceed 30 entrants eg JG/JB Discus, qualifying pools may be held at the Technical Delegates discretion with finals scheduled at a later time.

Para Athletes: All para eventswill be placed using the percentage of world record or calculated standard system (this includes T20/F20 athletes). The Para mixed 4x100m relay teams can be a combination of classifications and gender.

Friday Track & Field Championships - Afternoon Session
