

New Balance 34th New Zealand Secondary Schools Cross Country Championships 2007

Newsletter

To All New Zealand Secondary Schools:

Welcome to the New Balance 34th New Zealand Secondary Schools Cross Country Championships to be held in Christchurch at the Halswell Quarry Park. The Organising Committee calls for entries from your school to this event.

Date: Saturday 16th June 2007

Event Organisers

The Local Organising Committee of Christchurch teachers in association with the Athletics Canterbury Road and Cross Country Committee are organising the Championships. The Host School for the Prize Giving and Socials is Christchurch Boys' High School. The Prize Giving and Social Functions on Saturday after the event will be held at Christchurch Boys' High School in Straven Road.

Christchurch Boys' High School is not involved in the Entry Process or the Administration of the Championships. Please do not contact the School.

Course

The Course at Halswell Quarry Park will include a 1 km and a 3 km loop to accommodate the 3, 4, and 6 km race distances. The actual Course will not be published prior to the event as the exact setting up will depend on the ground conditions which vary considerably in some parts of the Park depending on rainfall in the preceding weeks. It is also possible that small changes to the course may also be made between races to minimise damage to the turf in corners and steeper downhill sections.
