

A SPORTING CHANCE WOULDN'T COST A PACKET.

The Health Sponsorship Council's Lifespan Smokefree programme provides an alternative to tobacco industry funding for sports groups.

Since its inception, the Health Sponsorship Council has provided financial support to a host of New Zealand sporting endeavours.

The cost of tobacco sponsorship has often been the health of New Zealanders, young and old.

And that price is too high.

The Health Sponsorship Council, paying the acceptable price for a healthy New Zealand.
