

# SPORTING CHANCE WOULDN'T COST A PACKET.

The Health Sponsorship Council's Lifespan Smokefree programme provides an alternative to tobacco industry funding for sports groups.

Since its inception, the Health Sponsorship Council has provided financial support to a host of New Zealand sporting endeavours.

The cost of tobacco sponsorship has often been the health of New Zealanders, young and old.

And that price is too high.

*The Health Sponsorship Council, paying the acceptable price for a healthy New Zealand.*
