# Don't let your club spend too much money on its next trip.

The trip away is part of most clubs' social secretary's work these days.

Arranging the cheapest deals available on group travel is part of our everyday work.

Quite simply, if you haven't spoken to our team about your next trip away, you will probably end up paying more for it than you need to.

At Ansett New Zealand we can offer you substantial group discounts throughout our

total network.

If you are responsible for your club's travel, why not let us make your next trip a success.

For full details, contact your nearest Ansett New Zealand office or phone our Group Travel Reservations Office toll-free on 0-9-309 1486, or your local TAANZ Bonded Travel Agent.
