OFFICIAL RESULTS

1. Individual Results have been listed according to the judges' board (and the tape recording back-up) with time, place, competitor and school listed. This has resulted in one or two minor changes (usually of one placing) from the place discs received in the chute after the race and subsequently recorded by team managers.

Note: One team did not hand in result slips and one athlete from that school was not recorded by the judges. Fortunately his placing was recorded on tape.

Other corrections were made in:-

Junior Boys - between 43rd and 52nd
 between 142nd and 147th
Senior Boys - between 84th and 88th
 between 102nd and 104th

None of these changes affected team race results.

Athletes who did not complete the course have not been listed.

2. Team Results were computed after non team member placings were deleted. (Hence the discrepancy between actual finishing place and team place points. eg. T.Dunn, Nelson C. finished 24th but gained 18 team points and his team mate K.Boyd finished 73rd but gained 63 team points).

Team results are listed showing counting athletes in finishing order, non counting runners place in bracket and team total following.
