OFFICIAL RESULTS.

1. Individual Results have been listed according to the judges' board (and the tape-recording back-up) with time, place, competitor and school given. This has resulted in a few minor changes (of not more than one place) from the place discs received by competitors.

None of these changes affected the team race results.

NOTE:

At least one team failed to hand in result cards and hence five athletes from those schools were not recorded by the judges. Fortunately, all but one were recorded on tape.

2. Team results are listed showing counting athletes first (in finishing order), then non-counting runners and finally team total.
e.g. Auckland Grammar Sch. 13 23 26 37 38 52 63 137

Reminder: For Junior Girls, Junior Boys and Senior Girls teams, 1st 3 runners count. For Senior Boys teams, 1st 5 runners count.
