YOURSELF

Pushing yourself is the only way to know how good you are. Trouble is, the harder you push the more your body reminds you that its reserves are limited – and that's when you hit the wall. Every serious athlete knows that dehydration and fatigue are real enemies preventing you from achieving your personal best.

VITASPORT will replace essential fluid, minerals and energy burned up in serious exercise. VITASPORT contains the electrolytes (minerals) necessary for fast fluid absorption and the carbohydrates to provide both instant and sustained energy.

VITASPORT comes in sachets and pottles so that it's easy for you to make up the quantity you want in the container you prefer and is available in three refreshing flavours: Orange, Lemon Lime & Citrus Colour Free.

VITASPORT 42g sachets
- make 500ml

VITASPORT 750g pottles
- make up to 10 litres
